Our school is committed to developing well-rounded global citizens who excel in all areas of life. This activity passport has been introduced by the DfE and adapted to fit in with our school curriculum.

Some of the activities we will enable the children to participate in while they are in school. Others, we encourage parents to facilitate so that by the time the children move on to the next stage in their education, they will have taken part in a wide range of interesting, character building experiences.

On the first Friday of each half-term, the children will take home their passport and will tick off and date any activities they have completed over the last half-term. They can also include copies of certificates, photographs, diary entries or any other evidence of their participation.

They will then return their passport folder to school where it will be kept safely as a record of all they have achieved.

We hope that families will enjoy the activities and that they will encourage time together, as this is precious indeed.
